

HERE AT **BLESSINGS IN BLOOM**, WE'RE ALL ABOUT FLOWERS!

Hello, I have loved flowers, all kinds of flowers, since I was a little girl. My grandmother had a garden, and I will never forget the first time I saw a 'Bleeding Heart.' Since then my love of flowers has grown from Gardener to Gardener-Florist. I understand how overwhelming planning a wedding can be and would love to be a blessing—giving you advice on flower choices that match your style and wedding season. Let me create your own custom flower package while staying within your budget.

I'd like to get to know you!
